

NEW NOTICE

Date 19-04-21

Dear valued students,

As per the request of students and instructors for teaching – learning via online as a result of COVID -19, the university critically discussed on the request and analysed the alarming situations of COVID -19.

Thus, it is decided to undertake the teaching-learning process in a Blended Mode, i.e., two third of teaching –learning is to be through Online, and one third in Face-to-Face mode. The 2013A entrants start classes through the online mode starting from today, Monday, 19 April 2021.

The 2012B and 2013B block and semester-based students, who have already started face-to face learning, will continue with the face-to-face mode, until, 3rd of May, 2021, in an online mode.

Kindly, all entrants will be informed on the one third blended teaching – learning part of face-to-face schedule in the meantime. It is also expected from class representatives to send the correct contact number and email account of each student to your respective instructors to avoid any inconvenience.

With regards,

SGS Student Support Service Office
